**PRESERVE IS OPEN SUNRISE TO SUNSET ONLY**

**leashes required**
Dogs must be leashed at all times to protect wildlife and other visitors. Violators may be asked to leave.

**pick up poop**
Dog waste is a health hazard for people, wildlife, and plants. Please bag your pet’s waste and take it with you. Please come prepared with your own waste bags.

**foot traffic only**
No motorized vehicles or mountain bikes, please. Such vehicles can be destructive to plants and wildlife, and disrupt the quiet experience others come to enjoy.

**stick to trails**
Please stay on designated trails to protect fragile plants, prevent erosion or wildlife disturbance, and reduce the chance of tick-borne illnesses.

**take your trash**
Please pick up all trash and take it with you when you go, even biodegradable materials like food scraps, which are unsightly and attract scavengers that can harm native wildlife.

**be a good neighbor**
Please respect the privacy of those who live on and adjacent to the preserve.

**leave it as you find it**
Please leave all plants, flowers, animals, rocks, and artifacts for all visitors to enjoy. Do not disturb research and education activities.

**horseback riding**
Horseback riding is permitted on designated trails under good conditions. We cannot accommodate horse trailers, so please ride to and from the preserve.

**hunting and fishing**
Hunting, fishing, and trapping are not permitted. Deer hunting is by special permit only. Visit natlands.org/hunting for permit information.

**drones are prohibited**
