PRESERVE IS OPEN SUNRISE TO SUNSET ONLY

leash your dog

Pets are permitted, but must be leashed at all times to keep people, pets, and wildlife safe.

pick up poop

Dog waste is a health hazard for people, wildlife, and plants. Please bag your pet's waste, and take it with you.

stick to trails

Staying on trails protects wildlife and their homes. Short-cutting trails causes erosion and damages trailside plants. Please walk and ride on designated trails only.

horseback riding

Horseback riding is permitted on designated trails under good conditions. Please ride to and from the preserve. We cannot accommodate horse trailers.

hunting and fishing

Hunting, fishing, and trapping are not permitted. Deer hunting is by special permit only. Contact the preserve manager for permit information.

motorized vehicles

No motorized vehicles. Such vehicles can be destructive to plants and wildlife and disrupt the quiet experience others are here to enjoy.

trash your trash

Please pick up all trash, even biodegradable materials like food scraps, which are unsightly and attract scavengers that can harm native wildlife.
