Join your fellow preserve visitors in helping to protect this special resource!

PRESERVE IS OPEN SUNRISE TO SUNSET ONLY

NO MOTORIZED VEHICLES OR MOUNTAIN BIKES

STICK TO TRAILS
Staying on trails protects wildlife and their homes. Shortcutting trails causes erosion and damages trailside plants. Please walk on designated trails only.

PLEASE ALSO NOTE...
• Pets are allowed under the following conditions: pets must be leashed; pets are not allowed in creeks, ponds or other water features; you must pick-up after your pet.
• Deer hunting by permit only (no “deer driving”). No fishing or trapping on preserve property.
• Do not remove any plants or animals.
• Horseback riding is prohibited.
• No alcoholic beverages.
• Swimming and jet ski use are prohibited.
• Picnicking is not permitted anywhere on the preserve.
• Please take everything you bring into the preserve with you when you leave.

BEFORE YOU GO...
• Before using the water trails, check tide charts at saltwatertides.com. It is best to plan your trip around high tide (i.e., one hour before to one hour after). For your safety, stick to marked water trails.
• Flying insects can be problematic, especially from early May to early August. Bug repellant and/or protective clothing is recommended during this period.

Natural Lands Trust encourages visitors to learn about and follow Leave No Trace’s principles for low impact use of natural areas.
