**Join your fellow preserve visitors in helping to protect this special resource!**

**PRESERVE IS OPEN 8:00 A.M. TO SUNSET ONLY**

**MANAGE YOUR DOG**

Keeping your dog in control keeps people, other dogs, and wildlife safe. Dogs must be leashed at all times on the preserve.

**PICK UP POOP**

Dog waste is a health hazard. It also increases the nitrogen in the soil, making it hard for native plants to survive, and contributes to water pollution. Please use bags provided at waste station near the parking lot and dispose of in proper receptacle. Always clean up your dog's poop—wherever it's left.

**TRASH YOUR TRASH**

Please pick up all trash—both yours and that of others. Even biodegradable materials, such as apple cores and orange peels, take years to break down and attract scavengers that can harm native wildlife. Trash is unsightly and ruins everyone's outdoor experience.

**STICK TO TRAILS**

Staying on trails protects wildlife and their homes. Shortcutting trails causes erosion and damages trailside plants. Please walk and ride on designated trails only.

**No Picnicking or Alcoholic Beverages**

**No Motorized Vehicles or Mountain Bikes**

**Be a Good Neighbor**

There are a number of private residences within and adjoining the preserve. Please respect our neighbors' privacy.

**Leave It As You Find It**

Please leave all plants, flowers, animals, rocks, and artifacts for all visitors to enjoy.

**Keep Aquatic Habitats Healthy**

To avoid disturbing aquatic plants and wildlife and prevent erosion, please stay out of wetlands, creeks and ponds.

**Hunting and Fishing**

Hunting, fishing and trapping are not permitted. Deer hunting by special permit only. Contact the preserve manager for permit information.

**Horseback Riding**

Horseback riding is permitted on designated trails under good conditions. Please ride to and from the preserve. We cannot accommodate horse trailers.

**Photography**

We welcome non-commercial photography and video. Commercial photography, film, or video by permission only. Please contact [info@natlands.org](mailto:info@natlands.org).
