Join your fellow preserve visitors in helping to protect this special resource!

THE PRESERVE IS OPEN SUNRISE TO SUNSET ONLY

STICK TO TRAILS

Staying on trails protects wildlife and their homes. Shortcutting trails causes erosion and damages trailside plants. Please walk on designated trails only.

LEASH YOUR DOG

Keeping your dog in control keeps people, other dogs, and wildlife safe. Dogs must be leashed at all times on the preserve.

PICK UP POOP

Dog waste is a health hazard. It also increases the nitrogen in the soil, making it hard for native plants to survive, and contributes to water pollution. Please bag your pet's waste and take it with you.

FOOT TRAFFIC ONLY

No motorized vehicles or mountain bikes, please. Such vehicles can be destructive to plants and wildlife and disrupt the quiet experience others are here to enjoy.

Be a Good Neighbor

There are a number of private residences within and adjoining the preserve. Please respect our neighbors' privacy.

Leave It As You Find It

Please leave all plants, flowers, animals, rocks, and artifacts for all visitors to enjoy.

Trash Your Trash

Please pick up all trash, even biodegradable materials like food scraps, which are unsightly and attract scavengers that can harm native wildlife.

Photography

We welcome non-commercial photography and video. Commercial photography, film, or video by permission only. Please contact info@natlands.org or call 610-353-5587.

No Picnicking or Alcoholic Beverages

www.LNT.org

Natural Lands Trust encourages visitors to learn about and follow Leave No Trace's principles for low impact use of natural areas.
