This preserve is owned and managed by Natural Lands—Greater Philadelphia region’s oldest and largest land conservation organization—and is open to the public thanks to the support of our members, volunteers, and funding partners. Natural Lands is dedicated to preserving and nurturing nature’s wonders while creating opportunities for joy and discovery in the outdoors for everyone. Nearly five million people live within five miles of land under our protection.

**Preserve is open**
Sunrise to sunset only

**Leashes required**
Pets are permitted but must be leashed at all times to keep people, other pets, and wildlife safe. No exceptions. Violators may be asked to leave the preserve.

**Pick up poop**
Dog waste is a health hazard for people, wildlife, and plants. Please bag your pet’s waste and take it with you. Please come prepared with your own waste bags.

**Stick to trails**
Please stay on designated trails to protect fragile plants, prevent erosion or wildlife disturbance, and reduce the chance of tick-borne illnesses.

**Foot traffic only**
No motorized vehicles or mountain bikes, please. Such vehicles can be destructive to plants and wildlife and disrupt the quiet experience others come to enjoy.

**No horseback riding**

**Leave it as you find it**
Please leave all plants, flowers, animals, rocks, and artifacts for all visitors to enjoy.

**Take your trash**
Please pick up all trash, even biodegradable materials like food scraps, which are unsightly and attract scavengers that can harm native wildlife.

**Hunting and fishing**
Hunting, fishing, and trapping are not permitted. Deer hunting is by special permit only. Visit natlands.org/hunting for permit information.

**Photography**
Amateur photographers are welcome to take photos or videos (tag them with #NatLands!). We do, however, have restrictions and guidelines for professionals wishing to use the preserve. Visit natlands.org/beforeyouvisit for more information.
