For seven consecutive years, sold-out crowds of conservation-loving friends have found themselves wrapped in beautiful Stardust evenings at stunning venues—ChesLen Preserve, Erdenheim Farm, Stroud Preserve, Binky Lee Preserve (overlooking what is now Bryn Coed Preserve), and Stoneleigh: a natural garden. Sadly, we could not gather as planned this June. But we can still celebrate time in nature (the real magic of Stardust!), made possible throughout the year care of Natural Lands’ 43 nature preserves and one public garden.

Anchored by the support that we receive from generous sponsors like you, annual Stardust proceeds advance Natural Lands’ highest priorities for saving open space, caring for nature, and connecting people to the outdoors. As we invite you to save the date for next year’s event (Friday, June 4, 2021 at Stoneleigh: a natural garden), we hope you will consider maintaining this year’s investment in our mission to provide land for life and nature for all.

Sponsors receive the recognition and benefits outlined below, including private, small group usage of special venues, one of a kind Natural Lands experiences, and the opportunity to bring the wonder of Stardust home with a pour-your-own party thanks to our friends at Moore Brothers, Dressler Estates, 2SP Brewing, and Kimberton Whole Foods.

We couldn’t make-merry in person this year. But in the spirit of Stardust, we can have a shared impact and make a difference. Let’s do it together!
