## **PRESERVE IS OPEN SUNRISE TO SUNSET ONLY**

### **leashes required**

Pets are permitted but must be leashed at all times to keep people, other pets, and wildlife safe. No exceptions. Violators may be asked to leave the preserve.

### **pick up poop**

Dog waste is a health hazard for people, wildlife, and plants. Please bag your pet's waste and take it with you. Please come prepared with your own waste bags.

### **stick to trails**

Please stay on designated trails to protect fragile plants, prevent erosion or wildlife disturbance, and reduce the chance of tick-borne illnesses.

### **foot traffic only**

No motorized vehicles or mountain bikes, please. Such vehicles can be destructive to plants and wildlife and disrupt the quiet experience others come to enjoy.

### **no horseback riding**

### **leave it as you find it**

Please leave all plants, flowers, animals, rocks, and artifacts for all visitors to enjoy.

### **take your trash**

Please pick up all trash, even biodegradable materials like food scraps, which are unsightly and attract scavengers that can harm native wildlife.

### **hunting and fishing**

Hunting, fishing, and trapping are not permitted. Deer hunting is by special permit only. Visit [natlands.org/hunting](https://natlands.org/hunting) for permit information.

### **no drones without prior, written permission**

Visit [natlands.org/beforeyouvisit](https://natlands.org/beforeyouvisit) for more information.
