NATURAL LANDS' SUMMER CELEBRATION

FRIDAY, JUNE 2, 2023

6:30 to 9:30 PM

Bryn Coed Preserve

Chester Springs, Pennsylvania

The magic of Stardust—Natural Lands' annual summer celebration and fundraiser returns. This year's host is the extraordinary Bryn Coed Preserve. Don't miss this evening of cocktails, roving supper, and much merriment under the stars!

Natural Lands' regional mission to provide land for life and nature for all is vital. Your sponsorship advances our highest priorities for saving open space, caring for nature, and connecting people to the outdoors and each other. Event sponsorship provides an opportunity to stand with other business, civic, and philanthropic leaders in ensuring nature for all. Join our constellation of conservation supporters today.

Over our 70-year history, Natural Lands has saved more than 125,000 acres of land, including 42 nature preserves and one public garden. The result: more than five million people live within five miles of open space under our permanent protection, that are open to the public, free of charge, throughout the year.

Vast meadows, expansive views, wooded hills, and soaring raptors. Let Bryn Coed Preserve enchant and inspire you as we celebrate the gift of open space!
