Stardust!

NATURAL LANDS' SUMMER CELEBRATION

FRIDAY, JUNE 7, 2024

6:30 to 9:30 PM

Stoneleigh: a natural garden
Villanova, PA

The magic of Stardust—Natural Lands' annual summer celebration and fundraiser which moves to a different special property each year—emanates from the experience of being wrapped in a stunning, conserved landscape. You won't want to miss this evening of cocktails, roving supper, and much merriment under the stars. **We invite you to shine as a 2024 Stardust sponsor.**

Natural Lands' regional mission to provide land for life and nature for all is vital. Your sponsorship advances our highest regional priorities for saving open space, caring for nature, and connecting people to the outdoors and each other. **Event sponsorship is an opportunity to stand with other business, civic, and philanthropic leaders in advancing our highest priorities for saving open space, caring for nature, and connecting people to the outdoors.**

Over our 70-year history, Natural Lands has saved more than 135,000 acres of land, including 42 nature preserves and one public garden. The result: more than five million people live within five miles of open space under our permanent protection, special places that are open to the public, free of charge, throughout the year. **Join our constellation of conservation supporters today!**
