Stardust!

NATURAL LANDS'
SUMMER CELEBRATION

FRIDAY, JUNE 6, 2025

6:30 to 9:30 PM

Every year on the first Friday in June, conservation-loving friends gather at one of our 40-plus properties for **Stardust, Natural Lands' annual summer celebration**—all to help raise awareness of and support for our mission. It's an unforgettable experience.

The secret to Stardust's magic? Being outdoors on a beautiful early summer evening wrapped in a stunning conserved landscape as far as the eye can see for cocktails, a roving supper, and much merriment under the stars.

But the "night-of" experience is only part of the magic. Preserved natural areas are essential to the health of our planet and the well-being of humans. **Every acre we save and care for cools and cleans the air we breathe, soaks up floodwaters, provides wildlife with habitat, filters the water we drink, and brings humans improved health and joy.**

Stardust is Natural Lands' only annual fundraising event, and **one hundred percent of the evening's proceeds advance our highest priorities for saving open space, caring for nature, and connecting people to the outdoors and each other.**

We invite you to have an impact again this year. **Stand with other leaders. Join our constellation of Stardust sponsors with an early pledged commitment.**
