Dog waste is a health hazard for people, wildlife, and plants. Please bag your pet's waste and take it with you. Please come prepared with your own waste bags.

No motorized vehicles or mountain bikes, please. Such vehicles can be destructive to plants and wildlife, and disrupt the quiet experience others come to enjoy.

stick to trails
Please stay on designated trails to protect fragile plants, prevent erosion or wildlife disturbance, and reduce the chance of tick-borne illnesses.

take your trash
Please pick up all trash and take it with you when you go, even biodegradable materials like food scraps, which are unsightly and attract scavengers that can harm native wildlife.

Please leave all plants, flowers, animals, rocks, and artifacts for all visitors to enjoy. Do not disturb research and education activities.

be a good neighbor
Please respect the privacy of those who live on and adjacent to the preserve.
